

Syed Maghrabi Scholarship Committee

June 27, 2013

THIS REPORT REQUIRES BOARD ACTION

The members of the Syed Maghrabi Scholarship Committee have been in communication by email and submit the following proposal for board consideration.

As the 2014 Joint Conference is more expensive than an annual HSLI meeting, the committee recommends offering up to 10 scholarships. Scholarship amount shall be a full conference registration, plus a \$150 stipend to reimburse expenses for CE or hotel. Reimbursement would require a receipt and would come after the submission of the article to the HSLI Newsletter. Priority would be given to applicants that did not receive a scholarship in the previous year or have been awarded funds from another professional body.

Using the \$275 early bird registration rate, plus the \$150 stipend, the total possible amount required would be \$4,250, which is close to the amount of profit from the 2013 conference. Based on past years, it is unlikely that 10 applications would be submitted.

Respectfully submitted, Jerry DeWitt, Miranda Shake, Stacey Knight-Davis
