

**Syed Maghrabi Scholarship Committee Report**  
**November 12, 2014**  
**Submitted by Miranda Shake**

This year we had two applicants for the Syed Maghrabi Scholarship. Eric Edwards from Benedictine University in Springfield submitted his application before the initial due date. Lynne Ferrell from Memorial Medical Center in Springfield submitted after the first extension of applications.

Since no other applications came in Eric and Lynne were awarded scholarships for this years conference.

We began doing a silent auction at Nancy's Reception 2 years ago, however we skipped the event last year since it was the Midwest Chapter Meeting. Items are donated and will be on display during the reception for bidding. All monies will benefit the scholarship fund.
