Details of the renewal process (based on 2017 membership of 102):

Year to date, we currently have an 87.25% renewal rate (89/102). We have had 2 new members and potentially have 15 members from 2017 yet to renew. However, several of those 2017 members have simply disappeared from their organizations, departing without forwarding information.

The 2 new members represent the following institutional types, 1 special, 1 technical writing support.

3. Membership Represents the Following Types of Libraries:

Academic – 39	Medical Hospital – 25	Retired w/o affiliation – 8
Special – 6	Student – 3	Unknown – 2
Allied Field (writing) – 1	Consultant – 1	Government – 1
High School – 1	System – 1	Vendors – 1

We currently have 7 life members.

4. Membership Directory:

The directory is generated from the Access Database that maintains the membership records. The current revision of the 2018 directory, dated 5/3/18, was sent on 14 May 2018 to the HSLI webmaster for posting to the HSLI Website. This directory contains all renewals received to that date. The 2017 directory will be maintained on the website until the end of July when the renewal process usually nears completion.

The HSLI Directory is password protected [REDACTED]. The password is intended only to lower the risk of unauthorized harvesting of member contact information, not as a comprehensive security device.

The final directory for each membership year is sent to the Chair of the HSLI Archives Committee.

Membership applications are maintained by the membership committee and provided to the HSLI Webmaster for posting to the website. The current revision allows for the purchase of life memberships and the increased fee for vendors. The ability to pay online with PayPal was incorporated in May, payment by PayPal includes payment of a \$1.00 convenience fee in order for HSLI to maintain its current level of dues revenue.

5. Committee assignments were requested by 6 members in response to the 2018 application. Please see section 1 of the attachment. This does not count committee members continuing with ongoing committee assignments or members volunteering for the conference planning committee in response to the President's request.
