

Join HSLI members and friends Friday afternoon, October 14th, for one of the following two excursions.

Either Take a Hike

For a preview of the Fall Colors Weekend at Starved Rock State Park, hike to a canyon with our Thursday evening speaker John Muir as our guide. John is the hike coordinator at the Starved Rock Foundation. Though he is a volunteer guide, donations to the Foundation would be greatly appreciated. We will meet in the lobby by 2:00 p.m. ready for a 2-3 mile hike that includes some stairs.

OR

Take a Boat!

Board the LaSalle Canal Boat, for a one-hour, mule-pulled ride to relax and enjoy the scenery. Your guides, dressed as Canal Era crew and passengers will take you back to 19th century frontier life on the Illinois prairie. There is a \$12 per participant charge. HSLI members and friends will need to take a 15 minute drive and park to arrive at the I & M Canal boat dock in LaSalle before 2:00 p.m.
