PRESIDENT'S MESSAGE

As I look back on our organization, I am amazed at our progress over the years. This has happened because of the dedication of our past leaders and members of HSLI. We have respect! Other organizations are taking note of our goals, objectives and dedication to the health science field as information providers. We are being invited to participate in joint meetings such as ILA. The Wisconsin group wants to have a joint meeting and we are sponsoring the MC/MLA meeting in 1994. It's taken a lot of hard work on everyone's part. It's time we take a few seconds and congratulate ourselves. If you are sitting down reading this newsletter, stand up and give yourself and this organization a standing ovation. Don't be shy.

Involvement is to engage the interests. We are all interested in HSLI or we would not be members. Let's go further. Being a member is not enough. Everyone must be involved through committee work or planning meetings. In this newsletter, there is a volunteer sheet; please get involved. We only need an hour a week or a couple hours a month of your time. Our past leaders are involved but we have many future leaders who can contribute to the goals of HSLI. This involvement will guarantee the growth of HSLI and its excellence.

Don't forget! Give yourself a standing ovation and get involved. We need you!!

LATE-BREAKING, EARTH-SHATTERING NEWS

Call for posters!!!

HSLI is pleased to present a poster session at the Spring Meeting on Friday, March 19, 1993. We hope each consortium will contribute a poster explaining who - and where - they are, and highlighting all the good things they have done. We also invite posters from anyone about special projects or any other information they would like to share.

For further information, please contact Gail Lahti at Palos Community Hospital, phone 708-361-4500, ext. 5096.

It is with great sorrow that we report the death of Carmen Salvador of Cook County Hospital. She was struck and killed in traffic on October 19, 1992. She was an active participant at HSLI meetings, and a valued member of the Metropolitan Consortium.

She will be greatly missed.

The HSLI NEWSLETTER is published by the Health Science Librarians of Illinois. It is published four times per year and is distributed free of charge to members.
