October 5, 2011

1. Committee Members: Fran Kovach
2. Current Projects: HSLI list membership 123, Postings January – September 71

Recently the HSLI list was reconciled with the HSLI directory. In this process, new members are subscribed and non-renewals are unsubscribed. The list consists of 2011 members, retired members, and vendors. To correct the listserv error messages, members were contacted by phone or through LinkedIn to make changes in email accounts. The HSLI listserv messages were printed and given to the archives chair.

3. No board action is required at this time.
