

Past-President Report  
*This report is informational only and requires no Board action*  
Submitted by Linda Feinberg, Past-President  
October 12, 2011

Work in progress: Consortia list update for HSLI website and GMR website is ongoing. I have received 1 listing so far, and will attempt to complete this task by the end of the calendar year. I would like to request assistance from board members in different consortia.

GMR current listing includes errors
