

Past President Report

June 28, 2013

In the past months, the Consortia institutional membership lists <http://hsl.org/consortia/> were updated to reflect changes on the Regional Medical Library Network of the National Library of Medicine Illinois webpage <http://nmlm.gov/gmr/regional/states/il/index.html> consortia webpage, <http://nmlm.gov/gmr/resourcesharing/consortia.html> and the associations webpage <http://nmlm.gov/gmr/resourcesharing/hsla.html> accordingly.

I have also been working with Stacey and Dianne to update business, gift, and travel policies and serving on the joint Midwest/HSLI conference planning committee in Finance.

Respectfully submitted,

Fran Kovach

HSLI Past President
