Balances and holdings for Vanguard funds

Beginning on January 1, 2012, new tax rules on taxable (nonretirement) mutual fund accounts (excluding money market funds) require Vanguard to track cost basis information for shares acquired and subsequently sold, on or after that date. Unless you select another method, sales of Vanguard mutual funds, but not ETFs, will default to the average cost method. We'll begin reporting cost basis to the IRS in 2013. For more information, visit [vanguard.com/costbasis](http://vanguard.com/costbasis).
