

Archives Report
For June 28, 2018 Board Meeting
Submitted by Miranda Shake

As stated in my fall report: The archives committee of one has been collecting items pertaining to the 2017 conference. These items have been added to a box, marked for the archives, once this box is full and labeled it will be delivered to the University of Illinois Archives for storage. If anyone is interested in taking over the archives committee chairmanship, I would welcome the reprieve.

New for Summer, I have received 2 large boxes of items from the Metropolitan Consortium of Chicago. I have not had time to sort and recycle duplicates yet. Items include: directory, meeting minutes and newsletters. Once that work is done I'm sure I will have another delivery to make to the U of I.
