For my first item of business during this Presidential Report I would like to give a HUGE thank you to Roy Jones for being an amazing co-chair to the 2017 and now 2018 conference committees. We have a great group of committee members and of course a huge thank you to all of them.

I would like to welcome JJ as our secretary, thank you for stepping up and filling this important role.

The 2018 conference planning is shaping up nicely we have a few major things to settle like CE's and Speakers but we have invites out and things really are going fine I feel. I hope you are all impressed with the Cliffbreakers hotel and Rockford as our location.

No board action at this time.
