Health Science Librarians of Illinois
President's Report
Summer Board Meeting

July 29, 2022

The good news is that HSLI's tax exempt status has been reinstated with the effective date of exemption retroactive to our date of revocation. Many thanks to Geoff Pettys who was the impetus in getting the process started, and especially to Laura Wimmer, who not only agreed to take over treasurer duties again but worked diligently with the accountants at ATA Group to get this done. Moving forward we will continue to use a CPA to ensure the proper paperwork is completed each year so that this does not happen again.

Now that the tax-exempt issues have been resolved, we can restart the task force for the Jira Scholarship Fund to determine how to market the scholarship, develop an application process, and set the amount of the initial award.

The 2022 Conference Committee decided to hold the conference virtually again this year. It is scheduled for September 7-9. The contract with Starved Rock Lodge & Conference Center was cancelled in due time and we received a refund on our deposit.

Thank you to Peggy Carey and Frances Drone-Silvers of the conference committee who decided to start a HSLI Journal Club. To date, two meetings have taken place – one in March and one in June.

We still need to solicit ideas for a new HSLI logo.

We continue to fulfill our obligation to CARLI for their SCOER's Open Textbooks Pilot Grant

- Frances Drone-Silvers serving as representative on advisory board
- Dissemination of project information continues through established channels

Respectfully submitted,
Cynthia Reynolds
HSLI President

Bylaws Committee Report

The bylaws have been reviewed.

“Greater Midwest Region” will be updated to “Region 6” (Article II, Section F) to reflect the name change made by the National Network of Libraries of Medicine (NN/LM).

A bylaws revision to the Treasurer’s duties (Article IV, Section 6) will be discussed at this Board meeting, in light of the reinstated tax exempt status. If a revision is approved by the Board, it will then need to be submitted to the general membership for comment and a vote.

No action items at this time.

Respectfully submitted,
Molly Horio, Chair of the Bylaws Committee

2021 Conference Planning Update
Summer Board Meeting
July 29, 2022

After polling the membership and the conference planning committee, we decided to hold the annual conference virtually again this year. The title of the conference is Rock-Solid Information, as we had planned to hold the conference at Starved Rock. This year the committee decided to charge a small registration fee. There is a \$20 fee for members, \$30 for nonmembers, and \$5 for students.

Our Speaker and CE committees ensured that our presenters were willing to do so virtually. Our keynote speaker is Dr. Catherine Blake of UIUCs iSchool on evidence-based librarianship. CEs include Health Statistics on the Web, Institutional Repositories – the Joys and Challenges with Q&A – panel discussion, and Self-care 101. The call for Lightning Talks and Posters went out with an application deadline of August 1. The publicity committee continues to advertise sessions and speakers. The exhibitor committee is busy securing sponsorships with a deadline of August 1. Registration opened July 22. Stacey Knight-Davis continues to update the conference page of the website.

NNLM Region 6 Liaison Report

July 29, 2022

Updates from Miles Dietz-Castel, Communications & Finance Coordinator of the Network of the National Library of Medicine - Region 6

- Derek Johnson, former Associate Director, moved on to a position with Boston Scientific in June. Currently, Linda Walton is serving as the Interim Associate Director. Linda is planning to present the Region 6 update virtually for the fall HSLI meeting.
- Each state in Region 6 has formed a State Advisory Group (SAG). Co-chairs for Illinois are Eileen Walford from Galter Health Sciences Library and Tracey Smith from the Illinois Department of Public Health. The Illinois team has been charged with identifying up to three major issues in the state and helping create a plan of action to address the health and health information disparities.
- If you haven't already checked your membership profile, please do so by logging in at nnlm.gov.
- Make sure to sign up for all the Region 6 social media (@nnlmRegion6)
- The NLM Exhibition program is returned! Stay tuned for events in your part of the state.

BRIEF UPDATE-HSLI LIAISON TO MIDWEST CHAPTER /MLA- Ramune Kubilius

- The state representatives met virtually: Jan 12 & June 27, 2022. State library groups' representatives shared their plans for 2022 that included meetings and virtual events already held, sometimes coordinated with other groups in the respective states. In June, the merits of virtual vs on-site meetings were discussed, as were highlights of the 2022 MLA meeting in New Orleans. HSLI news and plans were shared.
- The elected Midwest Chapter/MLA Representative-at-Large moved out of state, so during the second year of the term, Merle Rosenzweig (Michigan) is convening meetings and representing our group at Chapter board meetings & Ramune Kubilius (Illinois) is "scribing"...This continues until the Midwest Chapter /MLA elections are concluded and the new Representative-at-Large /state liaison/ is named. (*The call for candidates for all open positions went out June 13th**). Duties of newly elected chapter officers begin in October.
- The Midwest/MLA annual meeting will take place on-site in Bloomington, Indiana, October 22-24, 2022. Notifications have gone out for paper, lightning talk, and poster presentation proposals and conference registration is underway: <https://mcmla45.wildapricot.org/Current-Meeting>

MEMORANDUM

TO: HSLI Board
FROM: *Newsletter* Committee (Eric Edwards and Joyce Pallinger)
SUBJECT: Report
DATE: July 24, 2022

Shown below is the year-by-year number of posts since inception of the online *HSLI Newsletter* in July, 2010. A peak averaging 600 posts a year from 2017 through 2019 was followed by dip in 2020. The dip coincided with the pandemic's effect on activities in the scope of the *Newsletter* content (e.g., conferences, other professional activities). The number of posts in 2021 returned to pre-pandemic levels. At time of this report, it is estimated the total number of posts for 2022 will also approximate the pre-pandemic peak average.

<u>Year (Months if less than a full year)</u>	<u># of Posts</u>
2010 (July through December)	21
2011	34
2012	28
2013	37
2014	59
2015	167
2016	491
2017	611
2018	616
2019	584
2020	504
2021	613
2022 (January through July 24)	383

Posts were authored and/or published primarily by Co-Editor and *Newsletter* Committee member Eric Edwards. Publishing rights remain available to other HSLI Board members, and the Committee will publish on behalf of others. In continued support of communication and collaboration with IACRL, the Committee shared the information contained in *Newsletter* blog posts with the IACRL listserv, and also with regional and national discussion lists (Region 6, MLA, ACRL, etc.) when appropriate.

The established process for publication and promotion has continued to be reliable.

Respectfully submitted,
 Eric Edwards
