

HSLI Website report

Submitted by Stacey Knight-Davis September 1, 2023

The Forminator plugin was successfully used to collect applications for the Jira scholarship and conference registrations. Forminator integrates with Paypal and it was also used to collect online payments for conference registration.

The page for HSLI Journal club has been updated to show a call for topics. Members can use the comment function in the page to suggest topics.

The only portion of the site that has not been migrated is the membership form. I will work on getting that migrated before the end of 2023.

Site statistics since the last meeting are attached.
