

HSLI Newsletter

Volume 6 Number 3

September 1986

Dear HSLI Members:

Things are progressing well for HSLI. The by-laws revisions passed and the by-laws have been updated to reflect the changes. Dorothy Knight has put together a slate of candidates for office and you should receive your ballots soon if you have not already done so. Please let Pat Grundke (312-579-4040) know if you would like to serve on an HSLI committee. She will be appointing people to those positions between now and the meeting in October.

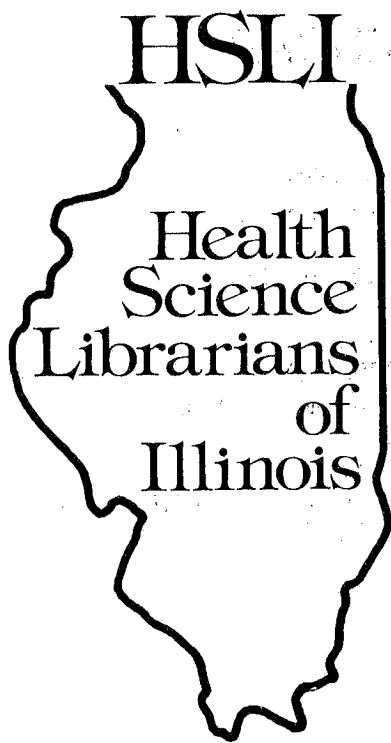

I hope you are all planning to attend the joint HSLI-MC/MLA Meeting in Chicago in October. You should have received your registration brochure several weeks ago. If you have not, please call me (312-383-6200 X 6501) and I'll see that you get one. There are two errors in the preliminary program sent with the registration materials. First, the HSLI Board Meeting will be held at 7:00 PM on Thursday, October 23 (not 7:00 AM as shown). Second, the Illinois State Council Meeting was omitted from the schedule; it will be held from 12:00-1:30 Friday, October 24 (lunch will be served). Both meetings are open to any members wishing to attend.

See you at the Bismarck!

Sincerely,

Julia B. Faust
President

BYLAWS REVISIONS ADOPTED

The amendments to the HSLI bylaws have been adopted. A total of 55 ballots were returned, with 52 affirmative votes. A large vote of "thanks" is due to Bylaws Committee members Karen Ambrose, Jan Graham, and Jo Ann Aufdenkamp, and to others who took the time to offer advice and suggestions.

The revised bylaws are now in effect. Anyone who would like to have a copy should let me know.

MC/MLA CONTINUING EDUCATION COURSES

An unusual array of continuing education courses will be offered by the Midwest Chapter/Medical Library Association at its Fall Meeting, October 22-25, at the Bismarck Hotel in Chicago. The first three courses described below will meet on Wednesday, October 22, from 8:30 a.m. to 5:00 p.m. Several half-day courses will be held on other conference days.

Dr. Ellen Gay Detlefsen will teach MLA's CE 352 on Government Information Resources. Selection and handling of documents of special interest to health science libraries will be emphasized (8 MLA contact hours).

The BRS regional representative, Michael Mifflin, will conduct a review of the system and its various Biomedical Databases, and oversee "hands on" time for attendees. (8 MLA contact hours).

Persons interested in improving their personnel management skills may select Supervising with Competence and Confidence taught by Lauren Frederick and Edith Balbach, both experienced in human resource development. (Credit applied for).

Helen-Ann Brown will be the instructor for the annual NLM Medline Update, on October 23, from 1:00 to 5:00 p.m. (3.2 MLA contact hours).

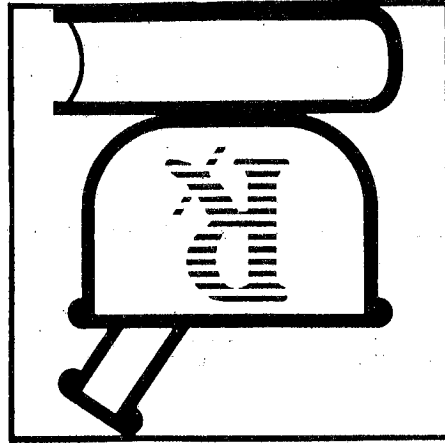

Understanding marketing and how to implement it in the hospital library will be highlighted in Management Seminar on Library Marketing conducted by Terrence J. Rynne, October 24, from 1:00 to 5:00 p.m. (Credit applied for).

Selecting Microcomputer Software for Libraries, with Dr. Mary Ellen Sievert as instructor, will focus on uses of software in health science libraries. It will be offered from 9:00 a.m. to 1:00 p.m. on October 25. (Credit applied for).

An Item Writing Workshop for the MLA Certification and Registration Examination will also be held on Saturday morning from 9:00 a.m. to 12:00 noon. Ginger Garvin was selected by the MC/MLA Board as Chapter trainer for this course, which is tuition free. (4 MLA contact hours).

One continuing education course is included in the registration fee for the meeting; additional courses are \$60. For information, or to register for a course, contact Meg Ward at Brenneman Memorial Library, Children's Memorial Hospital, 2300 Children's Plaza, Chicago, IL 60614. (312) 880-4244.
